

DSAW outings in South Central, WI

## DSAW's Community-Based Outings: Self Advocate Adventures

DSAW will help you achieve your highest level of independence and quality of life by exploring interests with your peers, learning skills, building confidence and discovering available resources. Activities take place in small groups of one staff to 2-5 participants or with one-to-one support in the community to enhance independence, learning and skill building.

### DSAW's Community-Based Outings

- Community-based outings occur throughout South Central WI.
- Connect with others who share your interests while you explore places and activities within your community.
- Increase your decision-making, problem-solving and social skills
- Learn and practice money skills
- Become a more active citizen in your community
- Learn and practice techniques to keep you safer in the community.
